

Erratum: 2023 Federal Select Agent Program Inspection Report Processing Annual Summary

In the [2023 Federal Select Agent Program Inspection Report Processing Annual Summary](#), first published online in June 2024:

- On page 5, the first sentence in the section “Immediate Action Observations” should have read: “In CY2023, FSAP issued **six** immediate action observations (**four sent by DRSC and two** sent by DASAT) within the target timeframe of 10 business days following the Monday after the conclusion of the inspection (Table 2).
- On page 5, Table 2 was updated to change the Number of Entities Sent Observations to **3** and the Number of Entities Sent Observations Within Processing Target to **3**. The fourth column label of Table 2 was changed to Processing Time (in Business Days) **Average**. The following table should be substituted for the current Table 2:

Table 2. FSAP Immediate Action Observation Processing Time, CY 2023

Observation Type	Number of Entities Sent Observations	Number of Entities Sent Observations Within Processing Target	Processing Time (in Business Days) Average
Immediate Action Observation	3	3	7

Note: Since an entity can receive multiple immediate action observations, the number of entities is not equal to the number of immediate action observations.
